

# Know Yourself

## Natal Chart Interpretation Masterclass

### *Draft Course Outline*

**Week 1:** The planets – as above, so below, universal principles, energies not agents. Chiron and the Moon's nodes.

**Week 2:** The signs – archetypes, forms, masks we wear in this life, cycles in astrology (including planetary returns).

**Week 3:** Fire, earth, air, water: the foundations of personality. Quadruplicities, polarities (six axes). Balancing the signs in your life.

**Week 4:** The houses – the stage of life, our virtual reality. The angles, ascendent, imum coeli, descendant and midheaven.

**Week 5:** Who's in charge in your chart – dispositors, rulership, fall, detriment etc. Which aspects and placings are most powerful.

**Week 6:** Aspects in the chart – how the inner archetypes get along, blocked and flowing energy, imbalance. Working consciously with our gifts and challenges.

**Week 7:** Transits to the natal chart – random series of events or preprogrammed process? Using AstroDienst to access detailed information about your current transits.

**Week 8:** Reading the chart – putting it all together to gain a deeper understanding of yourself.
